

Dear fellow moon bouncers,

- 50 Days to go before we set sail to Bouvet.
- 50 Day and nights to get your set-up ready to work this ATNO
- 50 and 144MHz equipment is on its way down South as we speak
- 50km² of adventure waiting for us
- 50% of the total cost of USD740,000 paid by the operators

Would you like to help us funding the remaining 50%?

Your donations are more than welcome!

Please visit our website at <http://www.bouvetdx.org/> and support the 3Y0Z Bouvet Island Dxpediton 2018.

CU all via the moon!!
