

International Amateur Radio Union Region 1 2011 Regional Conference – Sun City, South Africa 12 to 19 August 2011

Subject	Invalidation of unique QSOs for contests		
Society	URE	Country:	Spain
Committee:	C5	Paper number:	SC11_C5_34
Author:	Jesús Muñoz, EB7BMV		

Background

The rule 5.2.H of the "Procedure for organizing IARU Region 1 50 MHz / 145 MHz / UHF / Microwave Contests" says that unique QSOs shall count for points.

URE considers that it is not sufficient requirement for avoiding unfair practices, so it is proposed the following change.

Proposal: Change in the rule 5.2.H

Existing text: All QSOs including unique QSOs shall count for points even if they only appear in the log of one contest entrant.

Proposed text: Unique QSOs will not be valid. Only will be valid those QSOs appearing in at least two logs.
