Dear Mr. Petrzilka,

Referring to your e-mail of 20 June 2012 we inform you the following:

- According to the Paragraph 3.6 of Amateur Radio Regulations of Ukraine (approved by Decision № 475 of the National Commission for the State Regulation of Communications and Informatization (the NCCIR) of 21.10.2010 and registered in the Ministry of Justice 18.02.2011 under № 205/18943) (hereinafter, Regulations) the operators of amateur radio stations have the rights to use frequency bands specified in the Enclosure 2 (Table 7) to the Regulations.
- At the same time, we inform you that according to the NCCIR's Decision № 196 of 28.04.2011 the permissions to operate amateur radio stations in the band 50.080 – 50.280 MHz can be issued to radio amateurs of Ukraine (with certain restrictions).
- The usage of other frequency bands and issuing of special short-term permissions to use separate frequency bands are not foreseen.

Best regards,

Pavlo Slobodianiuk  
Head
